Sample document - try every tool on this file

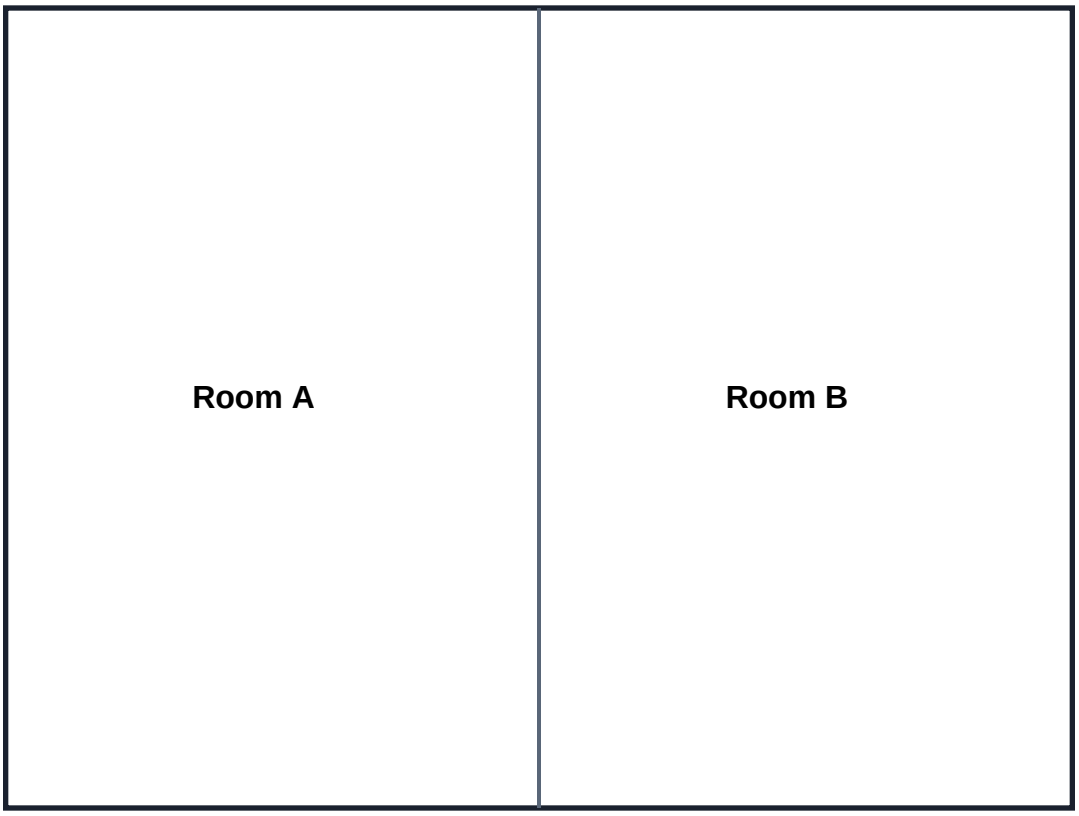
This sample opens automatically on web, desktop (Electron) and mobile (Capacitor). The same React code and the same Syncfusion PDF Viewer run on every platform, and the document never leaves your device.

What to try

- Annotate: highlight this sentence, add a sticky note, draw with ink, or add shapes and stamps.
- Measure: use the distance, perimeter and area tools on the diagram on page 2.
- Fill & Sign: complete the form on page 3 and add a handwritten signature.
- Organize: open Organize Pages to reorder, rotate, insert or delete pages.
- Search: find the word "Syncfusion" using the search tool.
- Download: save a new copy with all your changes.

Floor plan for measurement

Scale 1 in = 1 in. Measure the room edges and the area.



Registration form
